- Kite Flying Festival was organized in CP Gurukul. Children enjoyed the Festivity and the Music .

A vibrant sunset scene with a warm orange and yellow sky. A person is running on a dark green hill in the foreground, silhouetted against the bright sun. Two colorful kites, one green and red, and another purple, green, and blue, are flying in the sky. The sun is low on the horizon, creating a large, bright glow with rays radiating upwards. The overall mood is joyful and celebratory.

May the sun radiate
peace, prosperity &
happiness in your life,

Happy Makar Sankranti
